Your carriage awaits you!

You might remember the iconic Southern Aurora running between Sydney and Melbourne from the 1960's to the 1980's. The darling of Australian travel, the Southern Aurora was first class in its day.

Vintage Rail Journeys is proud to share with you our passion for Australian railway history. Our heritage partners have lovingly restored these carriages to their original condition and maintained them ever since. This is luxury 1960's style, and we hope you love the experience.

Sleeping Arrangements

The Aurora Australis will be stabled overnight for sleeping, and you may elect to sleep on the train in a twinette (2 to a cabin) or a roomette (single use only). The Twinette cabin has bunk beds and one member of your party will need to be able to climb a ladder up to and down from the top bunk.

Fully escorted

Your heritage Rail tour will be led by a professional, trained Tour Manager, assisted by on board crew to ensure you will enjoy a trouble free adventure.

Luggage

Your in-cabin luggage allowance is a 30kg per person suitcase plus a suit bag. There is limited hanging space available in the cabin. If this Rail tour is part of a longer tour, you will be able to store larger items in our luggage van.

Wine and alcoholic drinks

Water, Soft drinks and Juices are included. The bar on the Aurora Australis is licensed to sell alcoholic drinks. These are at additional cost and can be charged to your cabin for the tour duration. In support of local producers, local wines will be sold on the train at cellar door prices.
